

2017 Clinton County Scrap Tire Round Up

The Clinton County Soil & Water Conservation District and several local towns will work together to co-host tire collection events.

These events are designed to help Clinton County citizens properly dispose of old and used tires. As tires degrade, chemicals can leach into the soil and waterways and reduce water quality.

Date, Time, Place:

July 22, 2017

Town of Schuyler Falls Highway Garage

Hours: 8:30 am until Noon

August 5th, 2017

Town of Chazy Highway Garage

8:30 am until Noon

Must be a Clinton County Resident or Landowner to drop off tires. NO BUSINESSES

Cost: No Charge!

NO tires on rims

NO tractor, loader or heavy equipment tires

NO solid rubber tires

NO excessive dirt, mud or stones

The District reserves the right to reject non-passenger and non-pick-up truck tires. Our primary targets are residential passenger and pick-up tires, normally referred to as R13, R14, R15, R16, R17 and R18 sizes. Our size limits HEIGHT, not its "R."

If your tire is taller than a yard stick, DO NOT bring it.

Limit:

10 tires per household A waiting list will be established for residents with more tires.

Sponsored by:

The **Clinton County Soil and Water Conservation District** with assistance from the **Town of Schuyler Falls** and the **Town of Chazy**.
